Delightful renovated finca with very private gardens and a gorgeous Finca for sale in Teulada. Situated towards the end of a no through road off the Benimarco to Teulada road near Moraira (fifteen minutes' drive) and with open country views to the south, this charming finca enjoys all day sun, a lot of privacy and a rock pool style swimming pool with a cascading waterfall. The main entrance is through the very long and deep glazed-in naya that features a natural stone wall, a raised hearth and a wood burning stove. The inner front door is a stable door leading into the long sitting-dining room with a second wood burner. Fully fitted enclosed modern kitchen next to the dining area and a corridor leading to the two double bedrooms and two very stylish bathrooms. One of these has a sunken bath: this is the en-suite, whilst the second bathroom has a walk-in shower. The en-suite also has double doors onto a private patio. Pretty Mediterranean gardens with palm trees, a pergola dining area and two casitas. Gas central heating by radiators, air conditioning in the master bedroom, mains electricity.
