SEA VIEW BUILDING PLOT ON BENIMEIT

Plot for sale in Moraira. A 1082 square metre, treeless, building plot on two wide terraces with excellent sea views to both Moraira and Jávea and with no possibility of being built in front of. There is an existing villa to one side and a second building plot of 1000 m2 on the other side, also for sale by the same private owner. The plot forms part of the urbanisation Coma de los Frailes comprised solely of large modern high quality villas, all on larger than average plots. The plot is already has a boundary wall to the road and also on the northern boundary. Mains services, pavements and street lighting. The planning regulations allow for the building of a villa of up to approximately 325 square metres plus a swimming pool. The plot is privately owned so the buyer is able to choose their own builder.
