STYLISHLY REFORMED THREE BEDROOM, SEA VIEW VILLA ON

Villa for sale in Benissa. A recently modernised, 2014, single storey, detached three bedroom villa with open views to the sea and a new swimming pool. This charming villa has a living-dining room with a new stylish open kitchen, all overlooking the swimming pool. The sitting room has double doors onto the pool terrace. An archway leads through to the two larger than average double bedrooms, both with fitted wardrobes and a bathroom with a large level walk-in shower. The master bedroom with an en-suite shower room is also off the sitting room. Outside there are easy maintenance gardens, largely laid to gravel, a shaded dining area and a very long drive with multiple parking for cars, a motor home or a boat. The villa has only just been expertly modernised with great flair and imagination.
