A SUPERB PUEBLO PANORAMA APARTMENT JUST ONTO THE

Apartment for sale in Benitachell. The feel of the Amalfi Coast but at a fraction of the price. One of the best two bedroom apartments on Pueblo Panorama we have seen in a long time. Pueblo Panorama apartments are approached from the top road of Cumbre del Sol with the access to the apartments down some steps. This, year 2004 apartment is on the top level so has minimal steps and also has a window in the bathroom which the lower ones lack. Entrance hall with three store cupboards including a washing machine. Immaculate pale blue bathroom with a bidet and an inner hallway through to the rectangular living room with an almost entire "wall of glass" to the spectacular sea view. These sliding glass doors lead to the sun terrace which is the full width of the apartment and is dressed with two lovely yellow awnings which can be pulled down for shaded dining. The sea view is a full 180 degrees from Moraira to Jávea and out to sea to Ibiza. The fully fitted kitchen is open to the dining area with an archway and granite topped breakfast bar. Part hot and cold air conditioning.

Calle Iglesia 7, 03724 Moraira (Alicante), España
