FIVE BEDROOM SEA VIEW VILLA ON BENIMEIT, MORAIRA

Villa for sale in Moraira. A detached 1980s villa in excellent order, at the end of a long private drive on the lower slopes of Benimeit in Moraira, just a few minutes' drive to local shops, bars and restaurants at Tabaira. Multiple parking and a garage. The villa is on two floors with a three bedroom, two bathroom, self-contained apartment at pool level, on the ground floor, which was formerly connected to the first floor by a staircase: this could easily be reinstated. An external staircase leads up to the three arched naya, one arch of which is glazed in to form the dining room. Spacious sitting room with a corner fireplace and wood burning stove. A fully fitted, enclosed kitchen, two more double bedrooms, a family bathroom and a guest cloakroom. Outside there is a large, balustraded pool terrace with shaded dining with a built in barbecue and terraced gardens. Modern double glazing throughout and electric wall radiators.
