#### **FIVE BEDROOM DETACHED VILLA IN PARTIDA ALCASAR**

Villa for sale in Benitachell. A very spacious, well presented detached villa with a garage, a small private courtyard garden and superb countryside views to the south and west. The villa is on two floors with the principal level on the first floor accessed by an external staircase. The lower level comprises a two bedroom, one bathroom self contained apartment with a large open naya, a raised sun terrace and small garden. The communal swimming pool is just across the road but out of sight. The villa is on a quiet, no through road. Both floors have more or less the same layout, both with very spacious living-dining rooms; the principal level has a corner fireplace and three double bedrooms. All five bedrooms have fitted wardrobes. Gas central heating throughout. A short walk to a major supermarket, bars, shops and restaurants.
