IMMACULATE DETACHED VILLA IN A UNIQUE SPOT NEXT TO THE SEA

Villa for sale in Benitachell. A modern, 2002, single storey villa, at the end of a cul de sac, on a flat plot adjacent to protected moorland with two en-suite double bedrooms. Spectacular views across the moor with some sea view and no other villas between it and the sea. Private, off road parking and three steps up to the front door and entrance hall. Door to an inner entrance hall with a guest cloakroom. Door to the very spacious living room, a semi-enclosed kitchen with breakfast bar and through a wide arch to the dining room with a study area. Three pairs of double doors lead out to the almost, semi circular glazed in naya, which is a large second sitting room and dining area overlooking the 8 x 4 metre, very private swimming pool and the view. Both bedrooms lead off the living room, both with elegant, new en-suite shower rooms. One of the bedrooms has double doors on to the pool terrace and the other, on to a private sun terrace with spectacular valley views. Under floor central heating, air conditioning, double glazing, Wi-Fi, Bluetooth, osmotic water system and a very large satellite television dish.
