A LIGHT AND BRIGHT SEA VIEW APARTMENT ON URBANISATION

Apartment for sale in Teulada. An immaculate two double bedroom, one bathroom, pueblo style apartment with a level access from the parking to the apartment. The apartment is all on one floor with a very spacious sun terrace commanding beautiful views across vineyards and orchards to the sea at Moraira, less than ten minutes' drive away or five minutes to the historic small town of Teulada. The urbanisation comprises a few individual detached villas but mostly groups of apartments in blocks of four or six, widely spaced and stepped down the hillside amongst delightful gardens. There is a very large communal swimming pool, a children's pool, WCs, showers and changing rooms, as well as two tennis courts. The poolside bar and restaurant is temporarily closed. In front of the apartment is a small gravelled garden. A small entrance hall leads into the living-dining room with a modern, open kitchen with a breakfast bar. The two bedrooms both face the view and one has double doors on to the sun terrace and hot and cold air conditioning. A very attractive lock up and leave close to Moraira.
