Large traditional villa with an immense swimming pool

Villa for sale in Moraira. This very large villa on a large 4000 square metre plot with parking for at least 20 cars could, with some alteration, be made into a charming small hotel or bed and breakfast business. It is located in the Fanadix area of Moraira off Cami de Fanadix with open views and no close neighbours. It was built in 1987 as a large family home in the traditional Moorish style and features a wealth of pictorial wall tiles including a staircase with a different local scene on each of the stair risers and a bodega with a ceramic tile mural. The main house is on three levels with five bedrooms and four bathrooms but there are a lot of other rooms that could become bedrooms still leaving a large sitting room, dining room and kitchen. In addition to this, there is a huge separate casita currently with a bar, summer kitchen and recreation room opening on to the vast freeform swimming pool. This casita could be converted into two en-suite bedrooms. Car port for four cars and a second car port for a boat or motor home, Jacuzzi, gymnasium, pool table room, games room and much more. A great opportunity.
