SUPERBLY TRANSFORMED, SEA VIEW VILLA QUIETLY LOCATED IN

Villa for sale in Moraira. A really beautifully modernised town house type villa on a small select community of 16 villas with a community swimming pool and a tennis court. The villas are arranged in a semi circle facing south and looking towards the swimming pool to the sea at Moraira. The San Jaime golf course is close by, as are an excellent large supermarket, shops, bars and restaurants on the Moraira to Calpe coast road. The ground floor comprises a guest cloakroom, an enclosed kitchen and a living-dining room with double doors on to the very spacious courtyard garden overlooking the communal gardens. The living room has a gas wood effect gas fire. A staircase leads up to the shower room and two double bedrooms, both with fitted wardrobes and one with double doors on to a balconette. To the side of the house is a carport. Double glazing, mosquito blinds, air conditioning, gas central heating on the ground floor and electric wall hung radiators upstairs. Everything in the villa is new and it is to be sold fully furnished.
