SPECTACULAR STONE FINCA IN BENISSA

Finca for sale in Benissa. Situated in the Benissa countryside at Biasner, this large 520 square metre country house enjoys panoramic views and complete privacy with no close neighbours on a 12.562 square metre plot (over three acres). Benissa town is just a ten minute drive away and it is twenty minutes to the coast. Access is good with tarmac roads. The finca was restored in year 2000. It has a very pleasing layout with large rooms and an abundance of light. The finca is on three floors with a total of five bedrooms and five bathrooms distributed over all three floors. A very large farmhouse style kitchen with a fireplace and dining area leading from the open naya at the front. The very long wide living and dining room with another fireplace is in the glazed in naya on the other side of the house. It also has a study and library at the far end all enjoying fabulous views across the 12 x 6 metre swimming pool to the Sierra Bernia mountain range. Summer kitchen, pool shower, guest apartment, bread oven and lots of period features.
