NEW BUILD VILLA IN FANADIX, MORAIRA

• Villa for sale in Moraira. A three bedroom, two bathroom, two storey villa with an integral garage currently under construction in the Fanadix area of Moraira. The villa is due for completion for summer 2017 and is at a stage where the buyer can make their own choices of floor and wall tiles and make other minor modifications. The design is highly contemporary with clean lines and an unfussy look. It is being built on a slightly sloping corner plot surrounded by existing high quality, established villas yet not overlooked by them.
