Built 15 years ago to a very high standard with cavity wall insulation, under floor heating, high beamed ceilings and beautifully proportioned rooms bathed in sunlight. The large deep naya leads through the magnificent double wooden doors to a fabulous large entrance hall with a sweeping staircase to a delightful landing. The ground floor comprises a very comfortable lounge with a separate dining room, a spacious kitchen with an informal dining area, large garage with store and laundry. One of the four bedrooms with an en-suite is also on this floor. The upper floor houses the other three bedrooms and three bathrooms, two of which are en suites. These are all large and one is very, very large with its own sitting room, huge walk-in wardrobe and delightful en-suite shower room.
