### NEW VILLA FRONT LINE TO THE SEA IN JÁVEA

Villa for sale in Jávea. A spectacular five en-suite bedroom front line villa with a maid's apartment, 115 metres above the sea at Ambolo Cove on the Cabo de la Nao in Jávea. This amazing villa is now at an advanced stage of construction and due for completion this year. The villa is the creation of the award winning, internationally renowned architect, Ramon Esteve. This spectacular villa enjoys a fabulous location on the most easterly point of mainland Spain. Amongst its many special features are the 21 metre long infinity swimming pool, an indoor pool, a steam room, gymnasium, summer kitchen, basement car parking and an elevator.
