Two bedroom, two bathroom penthouse apartment with fantastic sea views
 Apartment for sale in Benitachell. At Urbanisation Cumbre del Sol just outside Moraira, the Pueblo Panorama apartments are on a hillside with 180 degree close sea views. The apartments are stepped down the hillside with the access road at the top, the penthouses are therefore at a level entry from the road with parking directly outside the front door and the other apartments are approached down external steps. The apartments are between a 10 and 15 minute drive from both Moraira and Jávea with the local Moraig beach just five minutes away. The urbanisation has a large supermarket, bars, restaurants and a pharmacy. The apartment has a spacious living room with a fireplace and an archway to the dining room next to the open kitchen, all with the sea views. Double doors from the living room lead into a large completely glazed conservatory which acts as a second living room. The longer side has glass curtains and the other has large sliding doors, both of which can be slid aside for summer use. There is also an uncovered sun terrace for sun reclining. Off the entrance hall are a double bedroom and a shower room with a large cupboard
