A villa with sea views close to the coast, Benissa

An entrance gate takes you to the private pool area with some steps up to the main floor of the house. Hall way with to the left access to three bedrooms and two bathrooms. To the right the kitchen with access to the spacious lounge and dining room with a centred feature electric fire. Also a direct access from the hallway to the lounge. Patio doors on to the glazed in naya. A separate access to the downstairs apartment with two bedrooms, a bathroom and kitchen. Ideal for guests. Hot and cold aircon on the main floor. Garage with automatic gate. Shed in the garden. Ideal location for a business as it is on the road between Moraira and Calpe. A complete reform could turn this house in to something really special. Sea views to the south and to the east.
