Pla del Mar apartment with stunning sea views

A great opportunity to buy a two bedroom, one bathroom apartment with the most amazing sea views. A short walk to Moraira and in the best location. Views from above to the El Portet bay, the harbour of Moraira, to the Calpe rock and even further. A welcoming hallway with to the right two bedrooms and a shower room to share. From the hallway in to the open plan living and dining area with an American kitchen. Beautifully presented. Some of the furniture could be included. Amazing views from all the rooms. Really something special.
