**A beautiful three bedroom, two bathroom villa with beautiful views**

All on one level and off-road parking. Entrance to this wide, totally open plan hallway, dining and living room with a centred log burner and the kitchen with a breakfast bar. This property offers a great feeling of space because of the open plan architecture. Two bedrooms to the right with a shower room to share and to the left of the open hallway, the master bedroom with the en-suite bathroom. Access through the patio doors from both master bedroom and living room to the spacious both covered and open terrace and an 8x4 kidney shaped pool. Fantastic valley views and even a glimpse of the sea. Beautiful established Mediterranean gardens with several sitting areas. Aircon hot and cold in all the rooms. Built in 2005. The villa is tastefully furnished and the furniture is negotiable. Immaculate and ready to enjoy!
