A spacious four bedroom, three bathroom villa with garage, Moraira

A traditional, partly renovated spacious villa at only a short walk to Moraira and on a flat plot. The villa is organised as two separate units with each their own entrance.

Situated in a quiet cul-de-sac with both a pedestrian gate and a bigger gate for the car.

The house is south facing and is perfectly situated on the plot with the 10x5

rectangular pool in front of it. Some steps up to the upper and main floor and through the naya the entrance to an enormous lounge and dining room with open plan kitchen

and breakfast bar. Hallway leading to two bedrooms and two extra spacious

bathrooms of which one is en-suite with both shower and bath. The downstairs area is on level with the pool and pool terrace and has its own kitchen, bathroom and two

bedrooms. Also from here access to the garage. New double glazed windows, heated pool, central heating and a centred gas fire with wood effect. Low maintenance

gardens as most of the plot is terraced. The villa has been perfectly maintained and cared for!
