#### **BUILDING PLOT ON BENIMEIT, MORAIRA**

This large 1260 square metre building plot is situated on Calle Benicarlo on Benimeit. Slightly elevated from the road, it forms a plateau where a large villa can be built. The plot is privately owned and not tied to a builder. You may use a builder and architect of your choice or we can recommend some of Morairas best constructors. The plot has good access from the road and is surrounded by existing luxury villas. Electricity and water adjacent.
