### SPACIOUS SINGLE-STOREY VILLA, OLIVOS, BENITACHELL

An excellent, spacious three-bedroom two-bathroom villa all on one level and with sea views. This immaculate property has an unusually large living area subdivided by arches into a cosy sitting room with log-burning stove, dining room and a separate study area. Also unusually it has two covered nayas for summer and winter, three separate sun terraces - one at roof level guaranteeing all-day sun. Superb community pool and gardens just a one-minute stroll away and a five-minute walk to the shops and bars. A lovely villa at a very realistic price.
