COAST ROAD NEW COMMERCIALS

Commercial premises for sale in Moraira. In a superb location directly on the main Moraira to Calpe coast road next to a major supermarket we are offering these five superb new commercial units for sale. Buy the premises and pay no rent to a landlord or buy the premises for investment and be a landlord! There is no better time to invest in Moraira's assured future. The units form part of a very elegant new parade of shops, bars, restaurants and other business enterprises in a prominent location set slightly back from the very busy coast road in the Moravít area of Moraira. The commercial centre is being built by a highly-respected developer in the area and are offered as "empty shells" for you to create your own business premises within. The finishing touches are now happening and the units are finished and ready to go. They comprise a large ground and first floor with a basement area of the same size. Two of the units have vehicular access to the basement for easy access to storage or for a business needing inside access for vehicles. Viewing by appointment only with Watkins Wilson. Floor plans available.

Calle Iglesia 7, 03724 Moraira (Alicante), España
