NEW THREE BEDROOM RURAL TOWNHOUSES

Bungalow for sale in Pedreguer. El Papiol is a group of only nine very modern linked two-storey villas set in a quiet rural area with a delightful shared swimming pool. Situated just one kilometre from the vibrant market town of Pedreguer with its lovely historic centre and popular Sunday market. El Papiol is only a short drive to the magnificent beaches at Denia and Jávea. La Sella Golf Club, host to the European Nations Cup is barely ten minutes away and there is also excellent shopping at the new Portal de la Marina at Ondara. There is a choice of semi-detached units now available with a large covered naya on the lower level and a second large sun terrace off the upstairs master bedroom. The final finishes may be chosen at this stage with the option of a very modern look or more traditional. Plans available.
