MORAIRA APARTMENT IN THE CHURCH SQUARE

An excellent two-bedroom apartment with lift access and below ground parking in the very heart of Moraira, Plaza Iglesia. This third-floor apartment is accessed next to our offices (pictured) and overlooks the square with its variety of restaurants, bars and boutiques. An enclosed entrance hall leads into the spacious living dining room. Double sliding doors lead on to the terrace with awnings and ample room for outdoor dining and reclining. Two good-sized double bedrooms, a shower room and a very nice kitchen with a washing machine. Hot and cold air conditioning. A well-maintained apartment in one of Moraira's best looking central buildings.
