A TENNIS COURT

MAGNIFICENT, MODERN, STONE RENDERED COUNTRY HOUSE WITH

A large 300 square metre, 2006 detached finca with 10.300 square metres of level land including its own full-size private tennis court. The outside space is truly amazing with a huge 400 square metre pool terrace around the vast free form swimming pool with jacuzzi and a sloping beach entry. There is a huge "Malaysian" gazebo for the table tennis or shady dining next to the stunning summer kitchen/bar. A long "paved" driveway leads to the back of the house with parking for as many guests as you like. The naya runs the full width of the house in the traditional style with part of it open and the other part fully glazed. An enormous inner sitting room with a stone balustraded stair down to the bedroom level and huge doors to the naya that slide aside to be hidden within the wall. Two square arches lead on into the dining room with another sitting area and the adjoining vast open kitchen with top name appliances. The lower floor is for sleeping with three large double bedrooms and two bathrooms one of which is the master with an en-suite. There is also a home cinema and a gym! Air conditioning and central heating throughout, laundry room, 2.4
