DELIGHTFUL, SEA VIEW, THREE BEDROOM VILLA

A modernised, detached, three-bedroom, two-bathroom villa on a small plot and sharing a communal pool at Pinar del Abogat in Moraira. The villa is raised above the road, very private and in a quiet cul-de-sac. Entrance drive with parking for three cars and gated entrance to the large front terrace with a distant sea view. An open naya for shaded outdoor dining leads into the sitting-dining room with a corner fireplace and wood burning stove. A superb modern kitchen including a dishwasher and built-in oven and microwave. A corridor leads from the sitting room to the three double bedrooms, one of which is the master bedroom with an en-suite shower room. Hot and cold air conditioning throughout. Beautiful new tiles throughout. A very attractive villa in an excellent location only a mile from the village.
